## **Message from the Prez . . .**

April has been a busy month with car shows and a club trip. The drive and eat took us locally to Andale so people could be home in time to see the Jayhawks. We had a great turn out plus two prospective members. Thanks to Dale and Barbara for being sympathetic to all the basketball fans needs and taking us to a place with a television and good food. That weekend weather was great for a drive to Enid to the corvette show and the drive and eat. The following weekend was not as nice for the drive to Columbia, as five corvettes braved the potential for rain and snow, which arrived Saturday morning. However, the weather did not dampen the fun or spirit of this charitable event. The weather for our trip to Tulsa was

excellent. 15 vettes and 1 cruiser made the trip to see some very impressive "Old Iron". After lunch at Ted's we departed for Ugly John's where we were treated to a guided tour of his outstanding collection. I can't believe there were not a few trips down memory lane while looking at all the cars. I would like to thank Jim for setting this up, it was a very enjoyable day. Don't forget the Lone Star Corvette Classic coming May 16-18, registration is due by May 1. Also, at the May meeting we will be discussing new club shirt colors so come and voice your opinion.

See you at the meeting,  
Monte

He also requested \$40.00 to pay the annual fee to the state for “not for profit” status. The River Festival Parade Insurance has been turned over to Dale Brotton.

Newsletter Editor - Kent Michael asked Monte to sign the membership cards either by hand or electronically.

Old Business – Monte reported that everything is set for the cruise to Ugly’s in Oklahoma. Reservations have been made at Ted’s for 12:00 and then to Ugly’s at 2 pm.

The new club denim shirts are ordered. We will begin research on a new short sleeved, light weight polo shirt, preferably red, with both a men’s and women’s cut.

Kent will check on price of a logo decal for the cars with white lettering and clear background.

We need to plan for the club photo. Possible venues are the Bunting Airport, or the Air Museum. Monte will contact Ray Wyatt.
