## **Message from the Prez . . .**

July started off with our annual ice cream social. Needless to say there was plenty there to get a major sugar rush. Because of the warm temperature we were not able to eat the ice cream fast enough before it melted, but it was still an enjoyable time. Our drive and eat took us on a nice casual drive to Beaumont for a very tasty breakfast buffet, thanks Dave for the drive. This month will end with several club members making the trip to Breckenridge for Vettes on the Rockies, drive careful and enjoy the scenery.

For next month, mark Friday 8-22 on your calendars for the Special Olympics cruise in Newton. Details will

be available at the meeting if needed. This a very good cause for the Special Ed kids and a good promotion for their golf tournament the following Saturday.

Anyone interested in going to Eureka Springs make sure you e-mail Kevin Mansfield, the room coordinator, your request so he can get you on the list. If you already have a room and need to cancel contact Kevin as well so we can maintain all the rooms we currently have reserved.

See you at the meeting,  
Monte

## Minutes from the July 2, 2008 ACCC Meeting

Although we had a great time at our Annual Ice Cream Social, there was really no meeting - just lots of conversation, camaraderie and yummy treats. (Special thanks to those who brought the homemade ice cream)

Respectfully submitted

Secretary

## Minutes from the July 16, 2008 ACCC E-Board Meeting

The meeting was held at Don Hattan Chevrolet. Kent Michael was absent.

President – Monte Rans called the meeting to order and had nothing new to discuss.

Vice President – Jack Crossman reported 70 paid members for 2008.

Treasurer – Randy King reported \$796.57 in checking and \$1320.54 in savings. He also has the \$30.00 cash for the monthly 50-50 pot. Randy would like the membership to know that although the Corbins were offered money to offset their cost of airplane fuel it was graciously denied.

Secretary – No report.

Officer-at-Large – Lin reported the points leaders as: Mansfields in 1st, Rans 2nd, Mehls 3rd, Smiths and Hoofers tied for 4th, Crossmans and Snodgrass' tied for 5th.

NCCC Governor – Gary Jones asked if there was any interest in hosting a “Kansas Mile” similar to the “Texas Mile”. In order to do this we would have to secure a straight away of 1½ to two miles long. He will look into airports or other possible venues.

Newsletter Editor - No report because he was absent.

Old Business – Monte is working on establishing a weekend for the “Tuner weekend”. He is pushing for the weekend of Sept. 13th. He has enough committed members to proceed to get a firm date.

We will send “Ugly’s” one of our new Thank-you cards for hosting our club at his private classic car collection.

The Funkhana is set for Sunday Sept. 11. It is imperative that we support this activity as a club if we want to continue to have it. Interest appears to be dwindling in the last two years. Much preparation is necessary for the event by the Smiths (Randy must even use a vacation day) and the board. Although it is a labor of love, it is too labor intensive if few members participate.

New Business – There was discussion of the allocation process for rooms to Eureka Springs. It was felt that rules need to be made and applied consistently. No action was taken.

The meeting was adjourned.

Respectfully submitted  
Marsha Battaglear  
Secretary
