Message from the Prez . . .

June seems to have flown by...unfortunately we did not get to go to the Fly In (sorry for the pun) at Benton, thanks to the unfortunate weather. Rex, could you make sure that this does not happen next year? Those of us who went to the All Wheels Show at Afton had a great time and made it back home before the unfortunate weather showed up that day.

I hope you are all planning on attending the Ice Cream Social at Sedgwick County Park on July 1. This is always one of the highlights of the summer. Don't forget to bring ice cream or a "go-with" in addition to your appetite. We will have a very short meeting that evening to discuss upcoming events over the next month or so. On September 26 we will be participating in a car show at Lake Point along with

South Winds. T-shirts are provided for us at no cost, but they need sizes for the t-shirts ASAP. We will have a sign up on July 1 or if you will not be there, please let me know what size shirts you want us to order for you.

Another item we will briefly be discussing is our participation in the Harvey County "Wildcats" Special Olympics Program with a "drive-in" the evening prior to the golf tournament in Newton on Friday, August 21. That was a great event for us last year and they have invited us to participate again this year. All of you golfers may want to think about getting a team together also.

Stay cool and we'll see you all Wednesday!
Dale

It was amended to also state that current members would be charged \$2.00 per decal but new members would receive one in their packet. Motions were seconded and passed. Kent will go forward with ordering the decals.
