## **Message from the Prez . . .**

September is here already. Before we get into all the upcoming events, I want to thank David and Leslie for their breakfast drive and eat to Newton. We all enjoyed it very much. And another big thank you to all of you who drove for the Special Olympics. Your help was greatly appreciated!

September will be a very busy month. First of all, I hope you will all be able to attend the meeting on Wednesday, September 2 at 7:00 at Don Hattan. There are numerous activities and car shows coming up this month that you will want to be sure you have all the information for. I know there is a group heading for Bowling Green this week and it is only a month until Eureka Springs.

September 19 is the Southwinds Car Show and September 26 is the Lakepointe Car Show. In addition the Funkahana will be September 13. We will be going over all the details about these events at the meeting so come with your questions and suggestions. If you cannot be at the meeting, and you have a question please contact me.

I know I am looking forward to the next couple of months, and I hope you will attend as many of our events as possible. Everything is more fun with more people involved.

See you Wednesday,  
Dale

## Minutes from the August 5, 2009 ACCC Meeting

The meeting was called to order by President Dale Brotton at Don Hattan Chevrolet.

We welcomed guest Chris McKellip from the Special Olympics. The motion was made and passed to accept the minutes as printed.

**Vice-President** - David Snodgrass reported that we have 79 members.

**Treasurer** - Randy King reported that the checking account has a current balance of \$2214.22 savings and checking plus \$20.00 cash.

**NCCC Governor** - Bob Battaglear had nothing new to report that was not already published.

**Secretary** - Marsha Battaglear had nothing.

**Officer-at-Large** - Kevin Mansfield points as 1st Mansfield, 2nd Barkers, 3rd Mehls, 4th McKee, and 5th Brottons.

**Newsletter** - Kent Michael reported that we should have the decals in 2 weeks.

### New Business

Chris McKellip from the Special Olympics presented information about their fund raiser activity. Our club was asked and accepted to drive the athletes from the Newton Outlet mall to Our Lady of Guadalupe church in Newton. We will be escorted by the sheriff. We will line up at 6:00 pm and leave at 6:30 on August 21, 2009. We can participate in the Mexican dinner for \$10 per plate. Approximately 30 cars are needed.

### Old Business

Dale also welcomed Jan Stephens from the Lake Pointe Retirement Community. She shared the T-shirt design for their car show Sept. 26, 2009. She reported some changes to the original schedule. They now will have three bands in three different dining rooms. Doughnuts and coffee will be served for breakfast and a Bar-BQ lunch will be served from 11-1:30. In case of rain, the event will be rescheduled for Spring. ACCC participants will leave the zoo at 8:15 and arrive at the facility at 8:30.

We were reminded of the South Winds car show Sept. 19th from 11am to 5pm. There will be 117 awards in 27 different classes this year. Corvettes will have their own classes. South Winds members do not qualify for trophies. There is a \$20 entry fee. Those wishing to participate will leave Sam's Club at 9:30 am to caravan to Central Community Christian church.

The Funkhana will be held at the Newton airport on Sept. 13, 2009. The start time has been moved to 1:00 because of the huge number of participants last year. Food will be offered for a nominal fee at 12 before the road course begins. With all of our new members, we are looking for another huge turn out this year. If your questions are not answered as to what to expect at this event, please ask a member.

We discussed briefly taking a new group picture. David Snodgrass offered the parking lot at his business. We will revisit this in the Spring to set a date.

### Swap & Shop

## One-of-a-Kind Corvettes on Display

You had posters of them on your bedroom wall as a kid, maybe even a book featuring their sleek designs. Now, for a very limited time, you can see these one-of-a-kind concept cars in person at the National Corvette Museum. The four Chevrolet Corvettes, a 1961 Mako Shark Concept, 1965 Manta Ray Concept, 1973 Aerovette Concept and 1959 Stingray Racer, are all on loan from the General Motors Heritage Center in Sterling Heights, Michigan.

“These cars were some of the top prototypes developed by GM and hold a significant place in Corvette's history,” said Betty Hardison, NCM Library and Archives Coordinator. “They were on display when the Museum held the grand opening in 1994, so it was fitting to have them back for this grand re-opening event, 15 years later.”

The temporary display begins Tuesday, September 1 and continues through Wednesday, September 9, as part of the Museum's 15th Anniversary Celebration. The cars can be viewed in the National Corvette Museum's new Exhibit Hall.
