## **Message from the Prez . . .**

I have registered for the club to be a part of the Wichita Riverfest Sundown Parade on Friday, June 3rd. We have received very positive feedback from participants and spectators for us to continue to be a part of this community event. After the parade we meet up at Central and West for the Friday night car show.

Kansas motorists will soon be able to drive 75 mph legally on designated parts of divided four-lane

highways. The change takes effect July 1st. Opponents countered that if the posted speed limit is 75 mph, drivers will now go 80 or 85. The opponents must drive "Smart Cars" or Ponies and can't keep up.

As always, if you have any ideas for club events or places to go, please share them with me or an E-Board member. I hope to see everyone at the next monthly meeting, at Don Hattan Chevrolet.
