## **Message from the Prez . . .**

Well, it certainly has been an interesting first six months as the President of Air Capital Corvette Club.

It is nice to see our car club continue to move in a positive direction with a focus on having fun with our cars while enjoying special times with the many members of the club.

In the last six months, Cristy and I have attended many events and have met a lot of new members. We have also had a chance to spend time with existing Club members. By attending various events, I've been energized by the people within our Club and am looking forward to the upcoming events ACCC has to offer this year.

We recently hit the road and traveled to Bowling Green, KY and toured the Corvette factory and museum. This was our first visit, and I got to tell everyone that has not been there before, you gotta go. I just wish time would have allowed us to take the tour a second time. I will go back!

We had a nice turnout for our Ice Cream Social that featured home made ice cream and deserts. Corvette

on the Rockies occurs August 4th thru the 11th and our next drive and eat is August 10th. Get ready to have some fun volunteering for Black Top Nationals Autocross August 26th thru 28<sup>th</sup>. Volunteers are needed, so please help by inquiring with one of the committee members (Barbara Brotton - Registration, Mike McKee - Track, Gene Brown - Tech, Bob Battaglear - Parking, Kent Michael - Timing, Glen Bailey - everything else). The committee members need to put together a schedule so that we don't wear out those that do volunteer and give people the opportunity to go see the other scheduled events. We hope year two will be even more successful.

With a new outlook on our future, this should prove to be an exciting year for all members of Air Capital Corvette club.

Cristy and I hope to see many of you at future events.

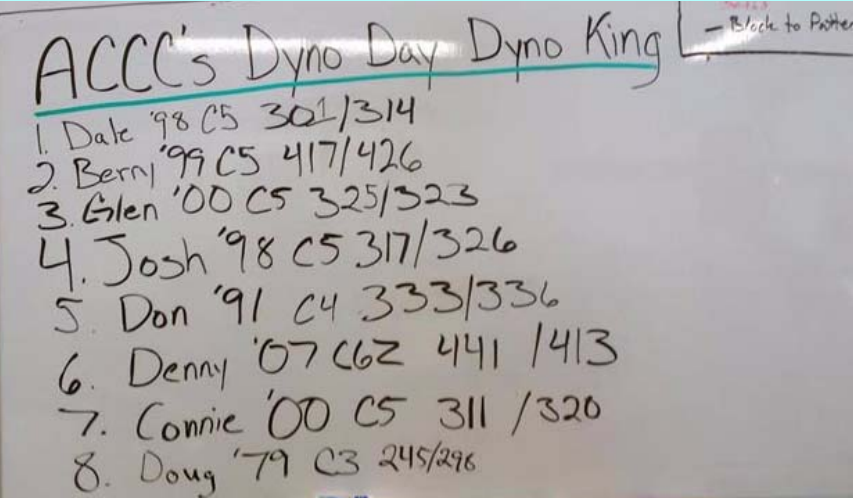

Glen Bailey,  
ACCC President
