Message from the Prez . . .

Thank you to Art and Darleen Warren for the September drive and dine to the "Knackies Bear B QUE" in Inman, Kansas. I couldn't make the outing, but I heard that everyone enjoyed the barbeque buffet and fresh homemade deserts. I received an update from Art I would like to share about the drive and dine. Since the leader (Art) was late due to a truck driver who tried, unsuccessfully, to squeeze a combine thru a narrow bridge construction site which caused a big traffic jam, Don Crigler was pressed into service to start the caravan to Inman. This may have been the first ever D&E led by a Tahoe. Eighteen Corvettes, 33 adults and 2 teens attended. At the restaurant, there was a T-shirt presentation to Gary Jones for his birthday. It was inscribed: "Friends Don't Let Friends Drive Miatas." One other note: Gail Dimick, his 2 sons and daughter in-law drove their C6 & C5 130 miles each way to attend the D&E. Bravo!

The nominating committee may have asked you to serve on the ACCC executive board this coming year. If you are interested in serving, please contact a committee member (Mary or Barbara) at or before the

meeting. They will present their nominees at the October meeting. Voting will occur at the November meeting. Your involvement could make the club even more successful, and help everyone have a great time through out the year.

We are accepting membership renewals no later than the November Business Meeting. Please mail-in or bring your renewal forms and payments to the October meeting, so we don't have to call you.

Date Changes: The Funkahana has been rescheduled to the 14th of October at the Newton Airport. Sign in starts at noon. The October meeting is being postponed one week to the 10th, because many of the members will be out of town or on their way to Eureka Springs, AR for Corvette Weekend. A breakfast drive and eat hosted by Mike McKee will be on the 13th, the Saturday after the club meeting. Hopefully I will see you there.

Save the Wave!!
Glen Bailey,
ACCC President

Note: Due to The Eureka Springs Corvette Weekend, the October meeting will be a week late. It will be on the second Wednesday, October 10th, this month only.

Minutes from the September 5, 2012 ACCC Meeting

We had three new members present - Mike Cooley with a '06 Z06, Bobby & Tammy Copeland with a '95 coupe, and Phil Lorenz with a '63 & a '13. Welcome.

The minutes of the August meeting were approved as written and then Travis Pearson came be-bopping in late and registered his objection to the minutes. As the dutiful secretary I registered his nay vote and then told him to be on-time if he wanted to object in the future.

Mike McKee is working on getting club T-shirts.

Art Warren stated we have \$3,000.56 in checking.

Bob Battaglear announced several cars shows that were happening in the area.

Glen Bailey said the Black Top Nationals autocross grossed \$837.50. Photos of the event can be purchased for \$10 by going to the BTN web site and clicking on photos.

Glen reminded everyone that renewals are due of the November general meeting.

We have been invited to sponsor the Lake Afton All Wheels day next summer. The cost will be \$400 and allows us to design the official artwork for the show. Dale Brotton made a motion that we accept the invitation and to also invite Southwinds Corvette Club and the NCRS chapter to go with us as triple sponsors. ACCC will handle the artwork.

Glen has asked Barbara Brotton and Mary Mehl to solicit members to run for the E-board.

The Funkahana will be help October 14, 2012 at the Newton Airport.

There was discussion on the Eureka Springs Corvette event.

Chuck (the tuner) Cow may be in Wichita on 10/27 to retune your chip so your Vette runs like a scalded cat.

Halloween party is set for 10/27/12. Location to be determined.

Michale Fallier, artist, showed some of his custom car paintings. He will paint an 18" X 24" canvas of your Vette for \$300. 316-648-9971.

Tentative plans are being made for a bowling party in Newton.

A motion was carried to buy a shade from Coleman for approximately \$139.

The 50/50 pot of \$20 was won by Jackie Thomas. She promised to not share it with her husband.

Gary Henderson won the door prize.

GM LS Engine Tuning (Corvette, Camaro, GTO, Pickup, Etc.)

Chuck COW with Corvettes of Westchester, NY has talked to Monte Rans about coming to Wichita the end of October to do some tuning or other possible mods.

In order for him to make it worth his trip, he needs about 10 cars to work on. If you need your LS engine or transmission re-tuned (from previous tuning), or have it tuned for the first time please give Monte Rans a call (620) 217-9620 to be placed on the list. The cost of a complete LS engine new tune is \$400. This is a lifetime tune.

There is less than a month, so its absolutely critical that you call Monte as soon as possible to get on the list. If you know of anyone that has a LS engine in their truck or car, please let them know and make sure they understand that they need to call Monte ASAP.

This is his website <http://www.corvettes-of-westchester.com/>

This is Chucks shop phone number 914-332-0049

Chuck is very busy and hard to get hold, its best you call Monte to get on the list.
