Message from the Prez . . .

Thanks to everyone who made it to the ACCC Bowling Night in Newton at the East Gate Bowling Lanes. We had great Mexican food, big screen football to watch, and a few games of bowling. Unfortunately the KSU vs Baylor game didn't turn out well for us K-State fans. Also want to thank David & Laura Hart for the November lunch driver and eat which was well attended.

Did anyone notice! It took a year, but Blue Bars magazine had our 45th anniversary article in it. Be sure to thank Marsha for writing this up for us and sending it in. Since this is the final 2012 newsletter, I thought about the past year of organized events and socializing the club participated in. I believe our social events were the most popular, and that is probably

where we should concentrate our efforts within the club next year. But my concern is that some of you might be getting bored, and may like to try some different activities within the club. All options are always open. As new members come aboard, and long term member's interests change, we just have to adapt and adjust. Most important, we have to stay aware of every members interests and needs within the club. Remember ñ This is your club. The Board doesn't really "run" the club. The membership does. The Board takes care of official business as required, and works hard to keep the club headed in the direction of the membership desires.

If you want to try something new, try it. There are no fixed rules. You can organize any kind of event you think would interest some or all of the other members. You can do it individually, or put together a group. We are always looking for someone to chair or co-chair some of our traditional events like the Halloween party or committee chairs for the Black Top Nationals Autocross. These events have been kind of left for board members to pick up and organize year after year. But really, we would love your help, and anyone can do it. All you have to do is come forward and ask!

Organizing events can be a bit of work, but can also be a lot of fun. Someone who has previously done it is always available to help out or give advice. Our Elected board members are here to help you coordinate and schedule things. Some traditional events, like our Fun Funkahana, Halloween party & Christmas Party have procedures written up as a guide line. All you have to do is ask. Some ideas might include ball games, trips to the Lake, group camping, group picnics, tech events, club garage sale, drive-in movies, cookouts in the park, I bet you can come up with a dozen more. Let's make next year one to remember. The December drive and dine is our Christmas Party. The party will be held on December 8th at Sedgwick County Park South indoor pavilion building. See you at the next meeting.

This is MY Corvette story and I'm sticking with it

An innocent Grandmother just out for a nice drive offered by Pemberton Chevrolet, Ponca City OK. to drive in the Veterans Day Parade which by the way was a 2012 Red Grand Sport Corvette was innocently on the way back to the dealership and took a little spin through McDonald's for some refreshments and did not know the police were after me. I failed to see the police car behind me with red light on cause my friend and fellow member were chatting and I did not look in my rear-view mirror. So upon returning fifteen minutes later (we had to wait in a long line) I was wondering why the police was in front of the dealership. Much to my surprise I was told of the situation (the dealer ship failed to put a tag on the car). I pleaded innocent to the officer and he still wanted to see my drivers license and had to pat me down to make sure I wasn't carrying anything illegal. We had a lot of laughs and a great time at the parade so from now on I will look to make sure the tag is on the car when going for a joy ride.

Ex Con Mary Mehl

Saturday December 8th.

Merry Christmas!!!

It is time for our annual Christmas feast. Saturday evening, Dec. 8th. This year, we will be in the Sunflower building at the Sedgwick County Park which is between 21st North and 13th North just west of the big ditch. It is very close to the 13th street entrance to the park (see map on next page). We have the building from 8AM to 10PM. Betty Henderson and her gang of loyal helpers will probably be there by 4PM and could use any other volunteers who are willing to help set up. We can use all the help that is cheerfully offered. I, Daryl, will also be there by 4PM. Dinner will start at 6pm sharp so we can get through the gift exchange before it is time to clean up. Meat, coffee, tea, and table service will be provided. If you want a different type of drink, bring your own. Your obligation is to bring one dish, which could be salad, starch, deviled eggs, desert, whatever you wish to provide. We want everyone to go home stuffed.

There will be a white elephant gift exchange. Each person is to bring one wrapped present. This could be a model car, Corvette calendar, something pretty, a hubcap, old starter, or a jar of navel lint. Gifts should be less than \$15 down to worthless. Using the same rules as last year. You open a gift and if you want to keep it, you throw in \$5 for the Lord's Diner fund. If you don't want to keep it, the gift will go up for auction starting at \$1. The winning bidder either gives their gift or number to the original gift opener.

And round and round we go. I will explain better as we get into the gift exchange when you can see the auction in action.

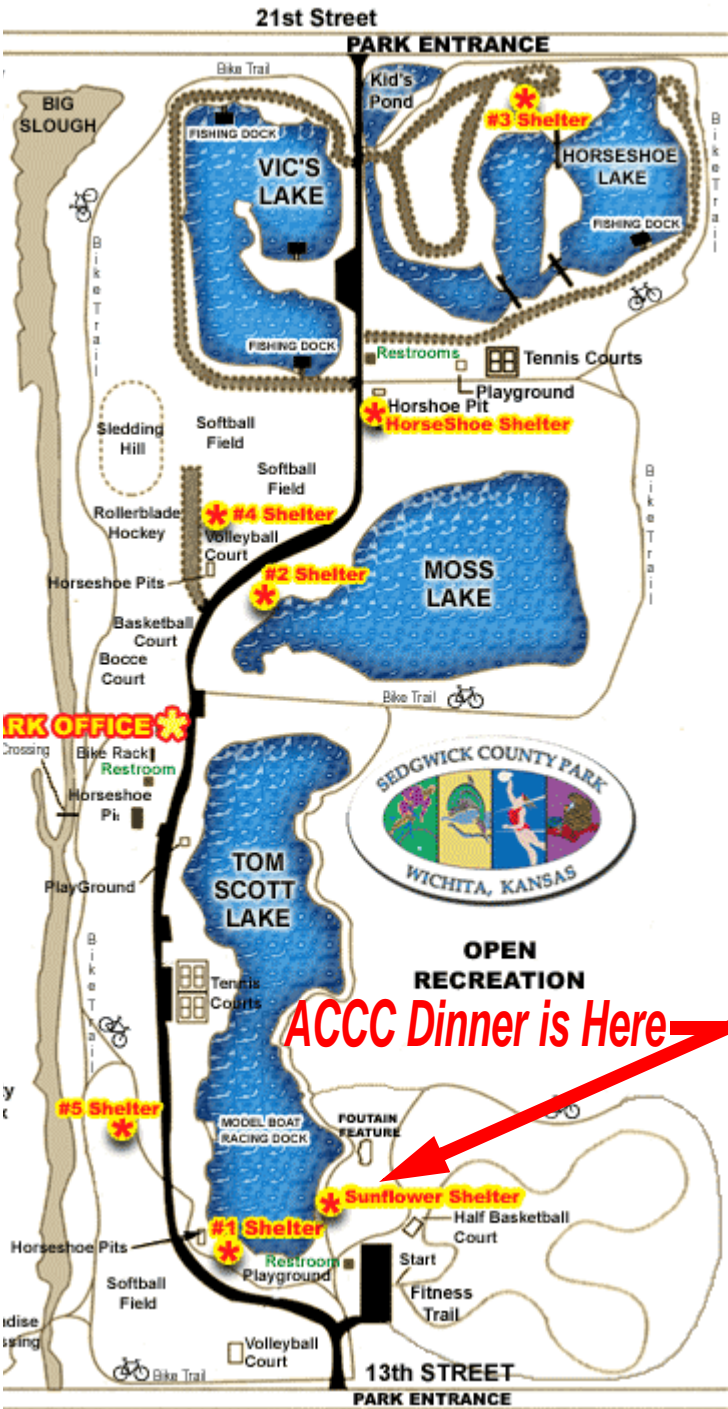

Rules for the gift exchange after the Christmas feast.

All donations (forced or otherwise) will go to the Lord's Diner.

Two possibilities:

- Person-A opens a gift. Person-A absolutely loves the gift (or doesn't want to get screwed with a worse gift) and wants to keep it. Person-A immediately gives \$5 to the Lord's Diner fund. Nobody else can later claim that gift.
- Person-A doesn't want to pay the \$5 to keep the gift. The gift is now in play. I (Daryl Burbach) will immediately start an auction at \$1 with \$1 increments. The high bidder, Person-B, gets the gift and it is theirs to keep. Nobody can later claim it. If the Person-B has already received a gift, Person-B will give the gift to Person-A. Person-A again has the option of paying the \$5 or throwing it back into play.

And round and round it goes until all gifts are opened. Person-A is eligible to bid on later gifts. You can bid on gifts even if you haven't already received a gift. In that case, Person-A will open another gift.

We had one guest – George Brown with a 40th Anniversary Vette

The minutes of the last meeting were approved with Travis Pearson objecting. I think it was because my party won and his party lost. I'll kiss his elephant and he can kiss my _____. => (For you new members, this is a running joke.)
