Message from the Prez . . .

Thank you Jim, Cathy, Dallas and Kerri for their joint August drive and eat. Although I was enjoying a family vacation and getting a freezing cold dunking in the Colorado River on a rafting trip, I heard that it was attended well and the food was good.

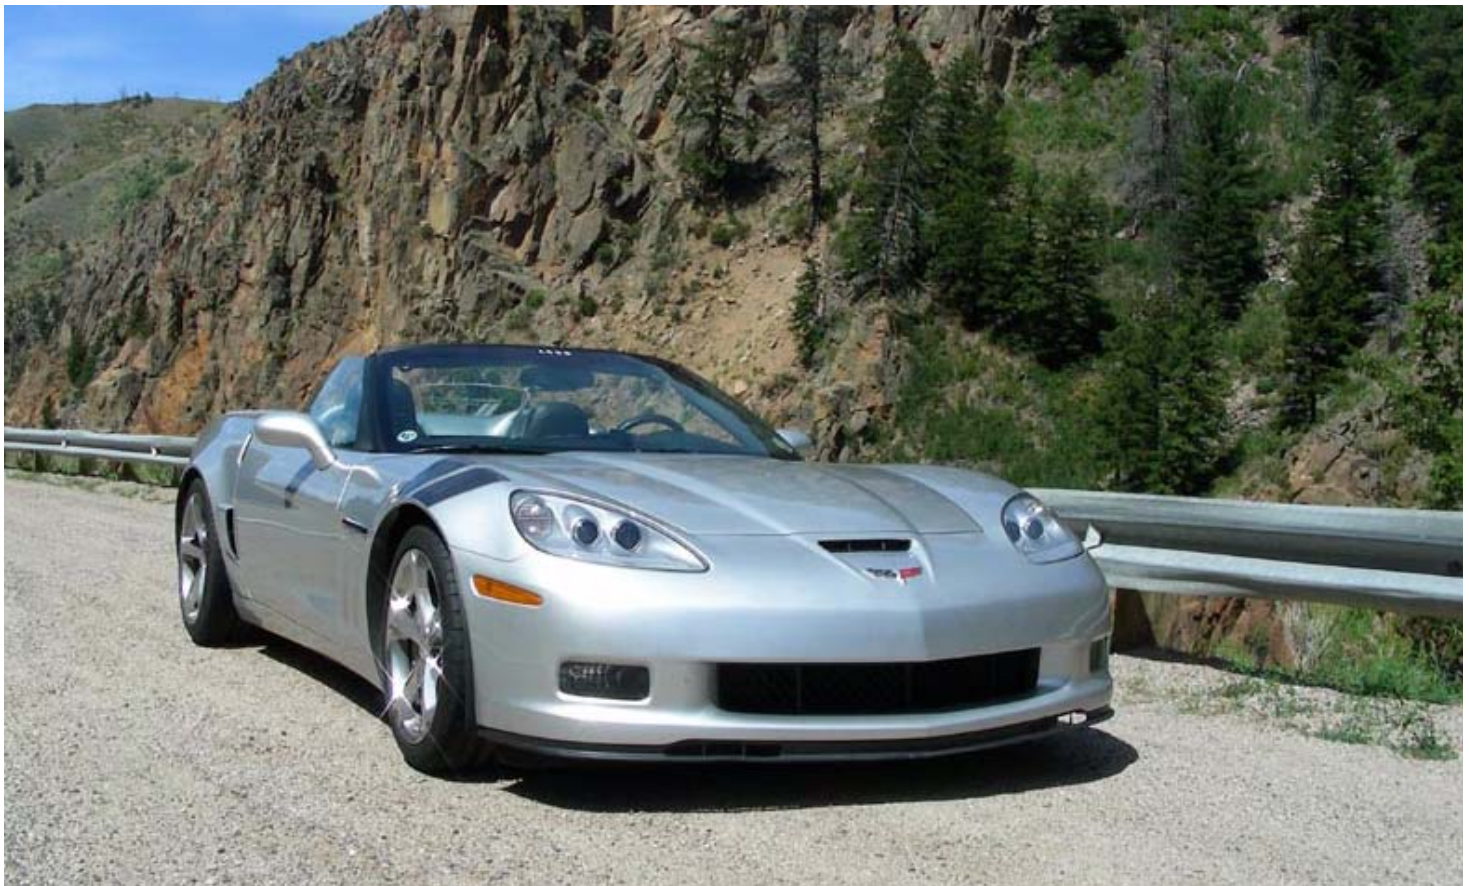

I regret that Cristy and I weren't able to volunteer for this year's autocross venue, but it did allow us time to see and attend most of the other scheduled events. I was quite impressed with this year's Black Top Nationals events and hope that BTN will continue their success for years to come.

The ACCC Funkahana usually takes place during the middle of September on a Sunday afternoon.

Unfortunately, I have been informed that the Newton Airport will not be available as a venue for this year's Funkahana due to re-paving. Any suggestions about a possible alternate venue? At the September business meeting, I will be asking for volunteers to help organize and set up this year's event. One possible location might be the Yoder airport.

As always, if you have any ideas for club events or places to go, please share them with me or an E-Board member.

Glen Bailey,
ACCC President
