Message from the Prez . . .

Happy 2014 Air Capital Corvette Club

1st thing is a hearty Thank You for the host & emcee Daryl Burbach and Cindy, for their hand in the Christmas party. I know everyone had a great time. Betty Henderson's decorating talents and her assistants, Marsha Battaglear and Mary Melh did add quite a bit of festivity to the party. ALL of you contributed with your presence. I did not get a good head count, but seems we may have had 60 plus.

This new year provides many opportunities for our club and from visiting with some of you I know we need a few more events. Please let any board member know your ideas. WE missed a Funkana last season and a autocross has been suggested along with a trip to the Texas mile. There maybe other ideas too!

Our D & E schedule is full for this year (2014), so enthusiasm is running good!

I got my last 2013 'Blue Bars' just before Christmas and was sort of let down Air Cap was not mentioned. Apparently Corvette Clubs must reflect a membership over 100, in August, to get honorable mention. Could we strive for a wee bit of a membership drive? Our club has a "business card" to help introduce us to new prospects. Let me know if you want to have some available.

Name tags are available, for any of you who are interested.

I do want to Thank You for the privilege of serving you as the President this year of 2014. Let me know of anything I can do for you and the club.

Cars captivated me when I was a teenager, and more pointedly the Corvette. I could not quite get it together for a '63 split window fuelie (only 19, and my father in law would not co sign) so I got a '64 roadster with the 365 horse 327 instead. No, not Daryls!

Even with all the constant tuning.....I loved my 1st 'Vette! Then a '65, a '68 and much later got back into a '88 and a 2000, a now a '76 I call "LOLA".....Ha Ha!

See you at the meeting this next Wednesday the 8th.....and lets all remember to Thank those who served on a E board in 2013 and our other new E board members. AND Kent & Louise, we could not do with out YOU.

Awards Banquet Friday the 17th at the Petroleum Club, \$28 each. Great evening in store.

David Hart,
ACCC President

Corvette Of The Month

(Reprinted from the July, 1977 Air Capital Corvette Club Newsletter)

In the beginning, 1969, I discovered that Chevrolet made the most fantastic car, the Corvette, when I bought a yellow 1968 roadster. Yellow is not my favorite color, so I bought a 1965 beautiful green roadster, but, I discovered I needed beautiful green money worse than a beautiful green car.

Later I bought a blue 1963 roadster that I had always wanted, and was in the process of restoring it, when, approximately 2 and 1/2 years ago I went searching for a split window coupe. After much searching, and many phone calls, I managed to find our gorgeous 1963 black Vette in Tecumsce, Kansas. After a lot of debating with the credit union, we finally agreed on a barely affordable price! It is factory black with a red leather interior carrying a 350 engine, that (though I may brag) does leave scratch in second gear (especially when "Twinkle" drives).
