Message from the Prez . . .

SPRING! Really it is here! Now we can get those Corvette's out of the garage and drive out and see our good friends.

Thanks to Mike McKee for the Drive and Eat to the Kansas Star. Much good food and great fellowship.

Several of us walked out with thousands, after the gambling. (well, maybe not) We did have a great time.

Dick Volkman's memorial was this last Sunday. Continue keeping Connie and their family in your prayers.

Sinkholes are being quiet.

High Tech Corvette or Speed Society (don't recall exactly which) reported a 6.7 second mile @ 220+ miles per hour quarter mile. YES in a Corvette! Did you catch the 1400 rwhp Corvette in 'Vette Magazine?? Action Express grabbed 3rd in the 12 hours of Sebring, with its #5 Corvette DP. Why is there not a GOOD road racing course in the Wichita area?

Many great opportunities showing up this month and next to be out in your Corvette and see other like

minded Corvette drivers and owners. Kent is busy sending out e mails and check the "Events" calendar on the website as Kent is up dating it frequently also.

Finally got the corrected Air Capital Corvette Club brochures back from the printer. Red, White and Blue. Let me know if you would like a few to encourage a new member or such.

Our next D& E is to be hosted by Dale and Barbara Brotton on the 5th of April.

Gary and Cindy Dykes event is this month, April 26th in Winfield, KS.

Lola says she is excited about Spring and ready to test her new carburetor (remember those?), hit the road!!!!!!!

See you all later and at the general meeting April 2nd.

It is all good,
David Hart,
ACCC President
