Message from the Prez . . .

We had another good drive and eat to the Newton Bread Basket for an evening meal of German food. Be sure to thank Mary and Doug Mehl. We didn't get rained on during the drive there, but I think some corvettes caught a few drops going back to Wichita.

There were several couples that traveled to the Texas Lonestar Classic just outside Fort Worth. I saw some good photos of the car show and their drive and eat excursion. Also, no one crashed their car on track day, and everyone made it home safely.

We had a nice day for the Best Western All Corvette Car Show. It didn't rain until after the awards were given out. Dale and Barbara did a fantastic job setting this up, and should be commended on their effort. We started the show with the national anthem sang beautifully by Emily Bruggeman. Emily is a good friend of my daughter, and is a Maize South High Junior. This

year we got to enjoy some good live music. I would love to have them come back next year.

Well, I'm writing this letter prior to the Saturday's Brunch in Yoder and Salt Mine tour in Hutchinson, KS. I'm pretty sure everyone will enjoy. I'll report our actual feeling about the tour at the next meeting.

We have several events next month; including the June drive and eat, NCRS car show, All Wheels at Lake Afton and then a sporting clay shooting event north of Augusta. As always, if you have any ideas for club events or places to go, please share them with me or an E-Board member. I hope to see everyone at the next monthly meeting, at Davis Moore Chevrolet.

The commander in Chief,
Glen Bailey
ACCC President
