Message from the Prez . . .

The weather was nice and sunny for June's drive and eat to Sun City. We had to make a pit stop in Medicine Lodge Kansas for Gene. While waiting on Gene, a local sheriff officer stopped by to admire our Vetts. He asked where we were going, and assured us that he would be heading in the opposite direction. I guess he didn't think his Dodge Charger could keep up! When we arrived, we found out that Sun City was having a tractor show. The farmers lined up their tractors across the street in a stand off with the corvettes. After lunch, at Buster's BBQ, we took a scenic drive thru the Gypsum Mountains and headed to a carousel about 20 miles away that Gene said was pretty cool. We didn't make it though because the last couple miles of blacktop had just been repaved and was very oily. Gene proceeded down the road and disappeared. Everyone else made there way back home from there. Please thank Craig for organizing the event.

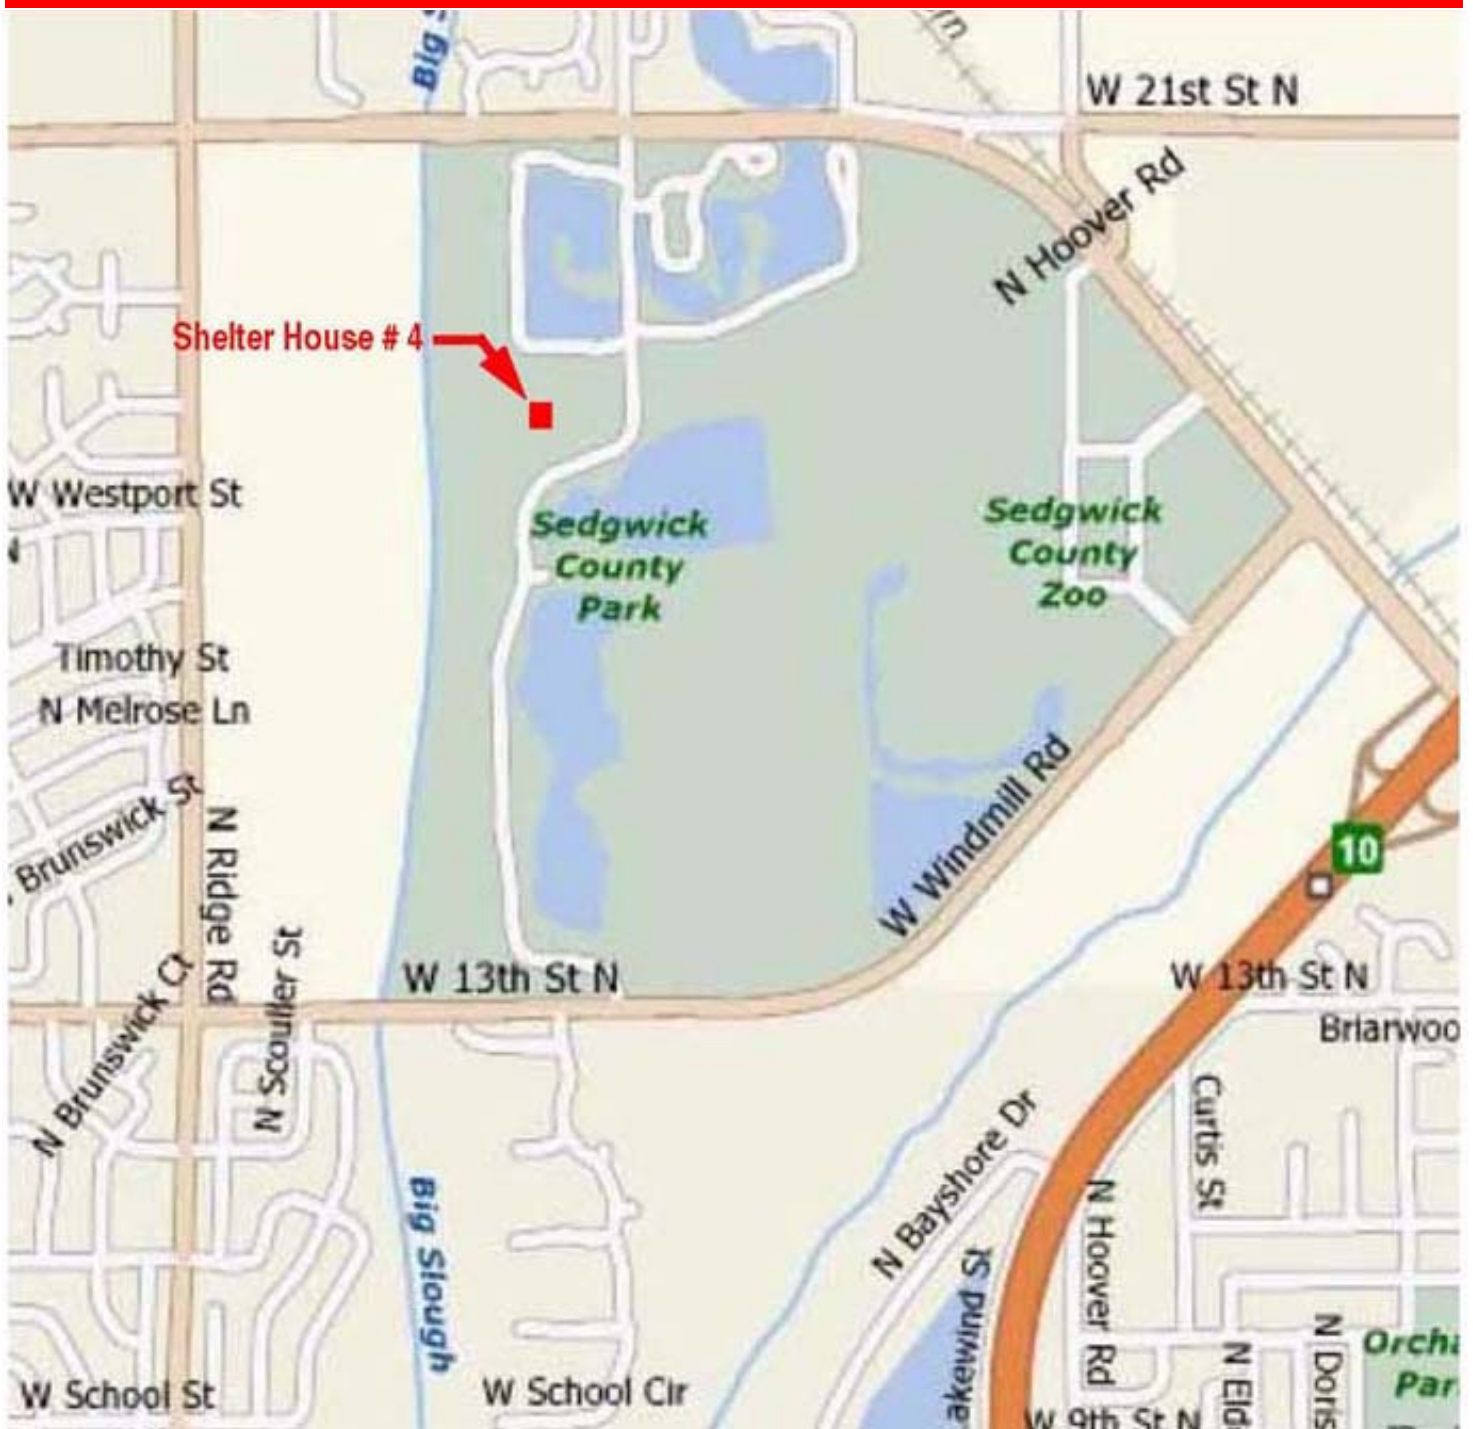

The weather kept many from the "ALL Wheels" show at Lake Afton. We only had about a dozen corvettes show up, but we still enjoyed the time together. As you know, the NCRS all corvette show at Davis Moore had to be rescheduled to the following Saturday. Even though the date was pushed back due to the weather there was still a good turn out. It was hot and breezy as usual. All the money went to the American Cancer Society.

As always, if you have any ideas for club events or places to go, please share them with me or an E-Board member. I hope to see everyone at the next monthly meeting, at the Ice Cream social in Sedgwick County Park.

The commander in Chief,
Glen Bailey
ACCC President
