Events Chairman . . . Brad Ketchersid 316-733-4919
Newsletter Editor Kent Michael 316-682-4403
ACCC's Web Page . <http://aircapitalcorvetteclub.com>

Message from the Prez . . .

The August Drive and Eat went North to the town of McPherson and we ate at Knackies Bear-B-Cue. The food was good for the 35+ people that went to this event. Please thank Art & Darlene Warren for hosting this event.

We voted at the July meeting to allow a one time \$5 increase in membership fees. So now I want to remind everyone that we would like to start collecting next years 2016 club memberships. The cost for 2016 will be \$30. The extra \$5 is to offset expenses for next year's 50th anniversary party. You can print the membership form from your newsletter that you receive from Kent, or you can go to our website and print a form. Please be aware, and send in your renewal forms promptly.

I heard a funny joke the other day. One night this guy takes his Vette out for a spin, and stops at a red light. An old man pulls up next to him riding a moped. The old man looks over at the Vette and says, "What kind of car ya got there sonny?" The man replies, "It's a Corvette, the best sports car in the USA; it cost me over \$50,000."

"That's a lot of money" says the old man. "Why do they cost so much?" The man answers, "Because they can go over 180 miles an hour!" The old man pokes his head in the window and looks around. Leaning back on his moped, the old man says, "That's a pretty nice car all right!"

Just then the light changes, so the guy decides to show the old man what the car can do. He floors it, and in a few seconds the speedometer reads 120 MPH. Suddenly he notices a dot in his rear view mirror that seems to be

catching up to him. Afraid it might be a cop, he slows down to 65 and suddenly whhhooooosshh! Something whips by him going much faster!

"What on earth could be going faster than this Vette?" the guy asks himself. Then, ahead of him, he sees a dot coming towards him. Whhhooooosshh! It goes by again, heading in the opposite direction! And it sort of looked like the old man on the moped!

"Couldn't be," thinks the guy. "How could a moped outrun a Vette?" Then again he sees a dot in his rear view mirror! Whhhooooosshh - Blam! It plows right into the back of the Vette! The man jumps out. It's the old man! Of course, the moped and the old man are in a world of hurt. The guy runs up to the old man and cries, "You're hurt real bad! Is there anything I can do for you?"

The old man groans and replies, "Yes, could you please unhook my suspenders from your side view mirror?"

Well sometimes you feel like the driver of the Vette; and every once in awhile, just like this old man, you're just along for the ride and you just hope you don't end up on someone's bumper.

As always, if you have any ideas for club events or places to go, please share them with me or an E-Board member. I hope to see everyone at the next monthly meeting at Davis Moore Chevrolet.

The commander in Chief,
Glen Bailey
ACCC President

Minutes from the August 5, 2015 ACCC Meeting

A motion to approve the minutes was made by Bob Battaglear
Second by Richard Burch it passed
