Message from the Prez . . .

I hope everyone had a fantastic Thanksgiving. This year was our turn for the Bailey gathering and it appeared all my family was able to make an appearance despite the weather. Afterwards we all went shopping Thursday evening and tried to walk off some turkey. Waking up to the ice covered vehicles on Black Friday had it challenges. Breaking the thick ice on the north side of the frozen car was nearly impossible. Thank god the south side of the car was a bit less frozen. It was definitely a "Keep the corvette in the garage" weekend.

Please thank Dale and Barbara Brotton for the November drive and eat. We had a real nice evening dinner at the Egg Crate Cafe near 13th and west Tyler.

\$30 membership renewals are due now. Please mail-in your renewal as soon as possible, or bring your

renewal form and payment to the next meeting. We will have forms at the meeting if you need them.

The new eboard members will take their positions in January. Our new secretary is Preston Hughes, Bob Battaglear will be our new Vice President and Linda Tillman will be the new Officer at Large. The remaining members will keep their existing positions. As always, if you have any ideas for club events or places to go, please share them with me or an E-Board member.

Our Club December drive and eat is the annual Christmas party. It is at Sedgwick County park south "Sunflower" indoor pavilion. Don't forget a side disk or desert and the white elephant gift exchange. Please review the details ion the newsletter.

The Prez,
Glen Bailey
ACCC President

Christmas Party/Drive & Eat

**Sunflower building,
Just Inside the 13th St.
Entrance to the
Sedgwick County Park**

**Hosted By:
Daryl Burbach**

**Pot Luck Dinner Starts
Promptly at 6:30pm**

My Dream Car Comes True.

I would like to push the **"start button"** of this story by saying **thank you** to the members of this club for taking in an interest in helping me find a **"Car"**.

My **"road trip"** began with a suggestion of a 2000 C5 in Enid, Oklahoma, And then I test drove a 2002 C5 here in Wichita. They were nice, yet nothing seemed to **"turn the crank"**. I was just was not sure what to think - **C5 or C6?** ... So what's the **differential?** At least, I knew I wanted a **good solid roof over my head** - Nothing fancy, just a **Base Coupe** loaded with options.

I searched the internet, and after not seeing any Corvettes that seemed to be in the **right gear** for me. I almost **"put the brakes"** on this search - at least locally. The people in this club helped give me the **"power"** to keep on looking. My computer's **Navigation System** went to the Mel Hamilton Ford site where I noticed a **Silver 2006 Base Corvette Coupe Automatic**.

So I **automatically**, called about this car that was very attractive to me. Now, at last, it looked like the **sun was shining through my roof**. So I thought it was **"Heads Up"** for me with a real **"Heads up Display"** and the **fog lights made it perfectly clear** to me that this was the car. I **"warmed up"** to the idea of electric heated seats and mirrors, as well as other fascinating features - out of this world - and those 18 & 19 inch wheels should be great this winter for snow and ice. Right? So what's not to like? All the **"electricity"** was there. It was **music to my ears** - like from the Bose speakers to hear the **"super sweet"** sound of the **Sequential Multi-Port Fuel Injected 6 liter- 400 HP - LS2 V8 engine** come to life

I have driven Fords all my life with various styling of front end grills, but now with the sleek & low front end of a Corvette, you could say - I have found the **"Grill of My Dreams"**. Of course, there's nothing in the world that compares to a Corvette. So, now I am memorizing all kinds of facts & figures, and many fascinating details about this Corvette.

I like to put it this way:

I have gone from 0 to 60 (years) without ever owning a single Corvette,

All my life I have driven cars that went from 0 to 60 mph - Eventually.

Now, I can go from 0 to 60 mph in 4.7 seconds!

Oh what an **Accelerating thrill** to be thrust back into those 6 way power seats with 2 memory positions, heated - leather & lumbar support.

With a Corvette, you feel like I have arrived - in style.

Sincerely submitted to the Air Capital Corvette Club,
Marvin Soliah

P.S. Can you tell I'm a little excited about the Corvette?

Saturday December 5th.

Merry Christmas!!!

It is time for our annual Christmas feast. Saturday evening, Dec. 5th. This year, we will be in the Sunflower building at the Sedgwick County Park which is between 21st North and 13th North just west of the big ditch. It is very close to the 13th street entrance to the park (see map on next page). We have the building from 8AM to 10PM. Betty Henderson and her gang of loyal helpers will probably be there by 4PM and could use any other volunteers who are willing to help set up. We can use all the help that is cheerfully offered. I, Daryl, will also be there by 4PM. Dinner will start at 6:30pm sharp so we can get through the gift exchange before it is time to clean up. Meat, coffee, tea, and table service will be provided. If you want a different type of drink, bring your own. Your obligation is to bring one dish, which could be salad, starch, deviled eggs, desert, whatever you wish to provide. We want everyone to go home stuffed.

There will be a white elephant gift exchange. Each person is to bring one wrapped present. This could be a model car, Corvette calendar, something pretty, a hubcap, old starter, or a jar of navel lint. Gifts should be less than \$15 down to worthless. Using the same rules as last year. You open a gift and if you want to keep it, you throw in \$5 for the Lord's Diner fund. If you don't want to keep it, the gift will go up for auction starting at \$1. The winning bidder either gives their gift or number to the original gift opener.

And round and round we go. I will explain better as we get into the gift exchange when you can see the auction in action.

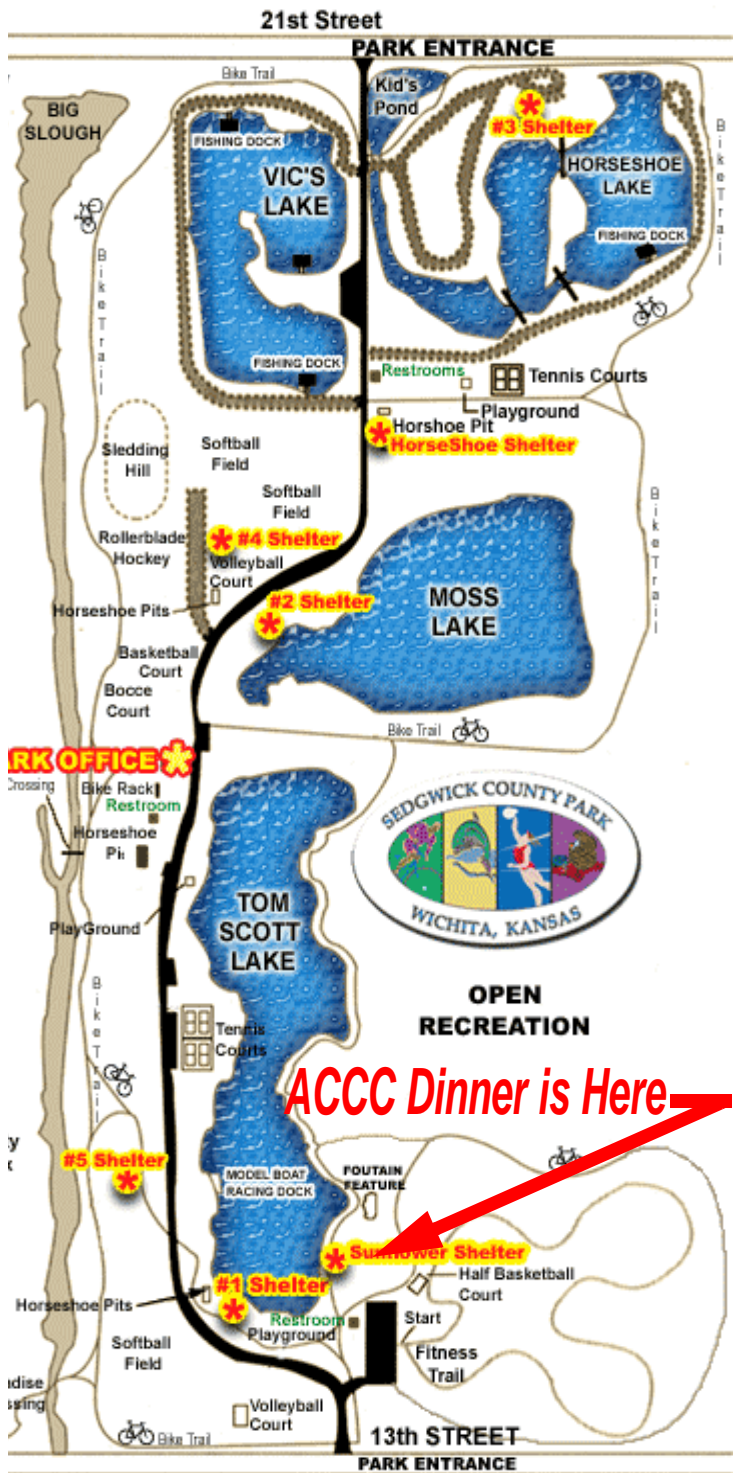

Rules for the gift exchange after the Christmas feast.

All donations (forced or otherwise) will go to the Lord's Diner.

Two possibilities:

- Person-A opens a gift. Person-A absolutely loves the gift (or doesn't want to get screwed with a worse gift) and wants to keep it. Person-A immediately gives \$5 to the Lord's Diner fund. Nobody else can later claim that gift.
- Person-A doesn't want to pay the \$5 to keep the gift. The gift is now in play. I (Daryl Burbach) will immediately start an auction at \$1 with \$1 increments. The high bidder, Person-B, gets the gift and it is theirs to keep. Nobody can later claim it. If the Person-B has already received a gift, Person-B will give the gift to Person-A. Person-A again has the option of paying the \$5 or throwing it back into play.

And round and round it goes until all gifts are opened. Person-A is eligible to bid on later gifts. You can bid on gifts even if you haven't already received a gift. In that case, Person-A will open another gift.
