Message from the Prez . . .

We had a better than expected turn out for the drive and eat to Stoups, about 45 in all. Cold weather must mean it's good chicken eating conditions.

The annual awards banquet at the Petroleum Club had some really delicious food, and everyone stayed after the presentation to socialize. The 2015 top four point winners were presented with a real nice plaque. We had a pretty good turnout of 57 people. Jay Shore was presented the door prize. This years top points awards go to Dale & Barbra Brotton with Gary & Cindy Dyke with a very close second place. Third place went to Dennis & Jackie Thomas followed by Glen & Cristy Bailey in Fourth place.

Craig Unrue organized the club's corvette entry to the Starbird-Devlin Rod and Custom Charities Car show. We had 24 member cars in our club display and another 5 or so scattered throughout the building.

Hopefully, you took the time to visit the car show, and looked at all the wonderful cars including ours. Our club took 2nd in the category of car club displays. If they had a participation award, we would have won that hands down.

We had a special drive and eat to the East Gate Bowling Lanes in Newton, Saturday the 30th. The food was exceptional as always, and we want to be sure to thank our host the Zenner's for allowing us to gather for some good entertainment as well.

Have you made plans for your special valentine? Well, this February 6th, Mary Mehl arranged for the club to attend the Mosley Street Melodrama for our February drive and eat. Mary needs your reservation money no later than the February business meeting. So please don't forget to bring your check book or cash. See further details in the newsletter.

We have set dates for a lot of new activities this year. Starting with the March 12th drive to Kansas City to tour an old river boat that was discovered in a farmers field not far from the river. Time permitting we may break off into smaller groups to do other things while in KC. Then April, 21 thru the 23rd is the Hot Springs Corvette Weekend. In May we have the ACCC Best Western Car show. We have also tentatively set up a tour of the Smith Car collection hear in Wichita on the 14th. The following weekend is the Lonestar Corvette Classic at the Texas Motor speedway. In June we have the NCRS car show on the 11th along with Wichita River Festival events. On June 25th we set a tour date at the Tanganyika Zoo. July brings the yearly Ice Cream Social on the 9th and the clubs 4 day trip to Bowling Green, Kentucky to tour the corvette plant and museum. August 6th will be our 50th anniversary party. The Anniversary committee will provide more information on this as its gets closer. Later in August we have a day trip planned to Lucas, KS to tour the "Garden of Eden" and the local art community buildings. September takes us on a day trip to the Eisenhower Museum, possibly on a Seelye House tour and food at the Brooksville Hotel. If there's time, we may go over to the Russell Stover candy factory. Our yearly trip to Eureka springs occurs October 6th thru the 8th and later on the 29th will be our annual Halloween Party. And finally in December we will have our Christmas party on the 10th. We have a ton of choices this year to keep you busy, and that doesn't include other car shows in the area you like to attend

As always, if you have any ideas for club events or places to go, please share them with me or an E-Board member. I hope to see everyone at the next monthly meeting, at Davis-Moore Chevrolet.

Minutes from the January 6, 2016 ACCC Meeting

The meeting was called to order by Glen Bailey, President. Discussion was solicited prior to approving the minutes of the last meeting. The tedium and kvetch (T and K) twins on the front row offered their usual tedious and specious complaints having to do with dangling parts of speech and unspecified errors.

Doug Mehl moved the minutes be approved as presented in the latest newsletter. The motion was seconded by Dennis Thomas and the minutes were overwhelmingly approved by a show of hands with only T and K and one or two wannabe's opposing.

Bob Battaglear, Vice President, reported that there are currently 72 paid memberships.

Deb Schmidt, Treasurer, reported the current bank balance is: \$3079.26. She also reported \$310 was given to the Lord's Diner from receipts at the Christmas Party.

Linda Tillman, Officer at Large, related a few of her duties that others might not be aware of, such as acting as an ombudsperson between members and the eboard. She yielded the floor to Craig Unruh, outgoing Officer at Large, to remind members about the upcoming Awards Banquet at the Petroleum Club. Craig announced a meeting of the Starbird-Devlin show participants immediately after the club meeting.

Upcoming events: Craig Unruh reminded the membership about the planned Corvette Museum trip he has set up for July 20 through 24. Rooms and a limited number of suites are available at the Fairfield Inn in Bowling Green. Reservations need to be made by June 15,2016 to secure the block room rate. To make room reservations contact Fairfield Inn and tell them you are with Air Capital Corvette Club.

Travis Pearson shared information about the Texas Mile. Registration deadline is imminent, but the event may be in jeopardy because of insurance cost issues. He also shared that an Arkansas Mile event is being planned with an early June registration. It will feature a density altitude very close to sea level.

Mary Mehl set up a Drive and Eat at Stroud's during the meeting. The Drive and Eat is scheduled for January 9. Mary also shared information about the February Drive and Eat to the Mosely Street Melodrama. More information to follow.

Gary and Cindy Dyke asked for comments about Eureka Springs Corvette Weekend. They will be attending the event board meeting.

National Corvette Museum Visit

I am excited to announce that Air Capital Corvette Club is planning a trip to the National Corvette Museum on Wednesday July 20,2016 thru July 24,2016. We have a block of 25 rooms (more can be added if needed) at the Fairfield Inn in Bowling Green. The hotel is just a few miles from the museum. We have a fun weekend planned. Such as a Corvette Plant tour, Museum tour and time at the Motorsports Park. There will be a drive and eat to a distillery sometime during our stay. For those that are interested you will need to make your room reservations by June 15,2016 to secure block room rate. To make room reservations contact Fairfield Inn and tell them you are with Air Capital Corvette Club. Our negotiated room rate is \$99.00 per night or \$109.00 if you would like a suite. The suites are on a limited basis, so they are first come first serve. There will be more details to follow as the trip gets closer. I am looking forward to making this trip and hope you are as well. Feel free to call or email me if you have any questions.

Minutes from the January 20, 2016 ACCC E-Board Meeting

The meeting was chaired by Glen Bailey, President

Bob Battaglear, Vice President, reported 86 paid memberships. The number is still fluid as membership list is cleaned up and members contacted about dues.

Deb Schmitz, Treasurer, reported a bank balance of \$4,702.46. There were 57 attendees at the annual Awards Banquet.

Linda Tillman, Officer at Large, was not present. Awards Banquet location discussion was tabled until the next E-board meeting.

It was suggested that the Hot Springs Corvette weekend be made an official club event.

Events Chairman, Brad Ketchersid, was absent from the meeting; however, the officers present set dates for major club cruises for the coming year. Dates may change depending on circumstances. Watch the newsletter for details.

- Kansas City River Boat Tour - March 12
- Lawrence Smith Museum - May 14
- Tanganyika Wildlife Park - June 25
- Garden of Eden, Lucas, Kansas - August 27
- Eisenhower Museum, Abilene, Kansas - September 17

Other cruises suggested were: Hutchinson Cosmosphere, Kansas Speedway, target shoot.

Internet services for a club membership directory were discussed. Preston Hughes, Secretary, showed one example of what one of these directories could look like on a smart phone (Wi-fi was not available for demonstration on a computer). Existing services cost from approximately \$80 to \$150 per year. The directories are password protected and can be linked to our website. They do not handle more than one photo per entry very well, if at all. Further research will be done into stand-alone directory/club management software. It is also possible to build our own database; however, this is time consuming and difficult to accomplish.

It was decided to defer to the 50th Anniversary Committee on anniversary shirt brand/material and next order date decisions.

Preston Hughes,
Secretary
